**18<sup>th</sup> June 2009 – 21.00pm**

The club will hold it's annual award evening at The De Havilland Arm pub opposite the training courts. Everyone welcome, and will have the chance to meet the club's existing sponsor Chris who will be handing out some of the awards and kindly offered to pay for refreshments on the night.

We plan to finish training early, then head to the pub. Please advise Morag of your attendance and your choice of drink by this Thursday evening as we need to pre-order the drinks. Nibbles will also be provided on the night.

## League Update

It has not been officially announced yet by Wavell, but our teams have done well in the 08/09 winter league with Team A achieving 2<sup>nd</sup> position in Division 7 and promoted up to play in Division 6, and Team B achieving 2<sup>nd</sup> position in Division 8 and promoted up to play in Division 7 in the 09/10 season.

Both teams are currently training for the summer league and further friendly games.

## Coaches

We are pleased to announce that both Emma and Lesley are currently taking part in the England Coach training programme, meaning if they pass their test at the end of the summer they will both be qualified coaches. This will be a huge benefit to the club allowing members to hone their skills and better their games with new training methods to come.

Good luck to them!

## Team C

Team C have been winning more and more friendlies and feel more organised as a team. Their long term plan is to affiliate for the winter league and hope to get a place in order to be able to play more competitive games. Well done girls!

## Bournemouth 7s

A group of 14 girls represented the club at the Bournemouth Sevens National Netball festival over the bank holiday weekend. They camped amongst 3000 other people, played some netball in the burning heat and party'd till dawn.....we plan to do the same next year and will enter the party cup - anyone interested in coming should put their name down with Morag.
