Silver Stars 41 28 Heath Hoops

Match report by Fran

A Team A /Team B combo took on the Silver Stars League Team in a friendly but failed to break down their sharp attack on this occasion.

The first quarter was evenly matched, before Stars went into the lead. Our shooting team of Shirley, Justine, Amy and Emma G swapped around to keep the balls going in for Heath Hoops. Emma G did very well as Centre too– we're grateful she took up the challenge.

Debbie was solid as WD closing out the Silver Stars attack where possible. Laura and Fran tried changing positions and tactics to neutralise the Silver Stars threat but couldn't stop the steady stream of hoops scored by on-form Silver Stars GA and GS.

A frustrating evening, but good to see Team A and B mixing up, working together and having fun. We hope to have a replay soon.
